

NOTICE TO SHIPOWNERS, AGENTS, MASTERS AND TERMINAL OPERATORS

1. CONTACT DETAILS OF PORT AREA SECURITY OFFICER (PASO) AND PORT FACILITY SECURITY OFFICER (PFSO) FOR ISPS COMPLIANT TERMINALS IN PORT KLANG

2. PRE-ARRIVAL NOTIFICATION OF SECURITY

3. CONTROL MEASURES

1. The International Maritime Organisation (IMO) has adopted the special measures to enhance maritime security. These measures specified in Chapter XI-2 of SOLAS and the ISPS Code will come into force on 1 July 2004. Port Klang was certified to be ISPS compliant on 30 June 2004 by the Marine Department of Malaysia, the Designated Authority (DA) responsible for ensuring the implementation pertaining to port facility security and ship/port interface for ports in Malaysia. The 4 port facilities in Port Klang that are ISPS compliant are Northport, Westport, Star Cruises Terminal and Kapar Power Station. The contact details of the port facilities are as contained in **Appendix 1**.

2. With effect from 1 July 2004, the **following ships** that are calling Port Klang shall complete the Pre-Arrival Notification Of Security as prescribed in ***Jabatan Laut form (attached as Appendix 2)***. This form shall be send to the respective terminals at which the ships are due to berth or anchor as contained in Appendix 1, at least 48 hours before the ship's arrival in Port Klang.
 - i. Passenger ships including high-speed passenger crafts engaged on international voyages;
 - ii. Cargo ships, including high speed crafts, of 500 gross tonnage and upwards engaged in international voyages; and
 - iii. Mobile Offshore Drilling Units

3. The shipping community is hereby informed that as of 1 July 2004, ships calling at Port Klang will be subject to control and compliance measures including assessment of ship security information provided by the shipmasters in Pre-Arrival Notification Of Security prior to entering port. If there are clear grounds that a ship is not in compliance with the requirements of the ISPS Code, the ship may be subjected to a more detailed inspection, delay or detention, restriction of operations or movements in the port, or may even be denied entry.
4. Any queries relating to this circular may be directed to the Port Area Security Officer ACP Raja Muda Musa bin Raja Razak at Tel: or the Port Facility Security Officer (PASO) at the respective terminals.
