## TO ALL FREIGHT FORWARDERS

Dear Sir / Madam,

### PORT KELANG AUTHORITY GENERAL MANAGER'S CIRCULAR NO. 1/2020

### PRACTICE OF LOW SULPHUR SURCHARGE (LSS) COLLECTION AS PART OF IMPORT LCL CONTAINER LANDSIDE CHARGES

The above subject is duly referred.

2. Effective 1st January 2020, the new IMO 2020 Low Sulphur Regulation require all sea-going vessels to switch to low sulphur fuels or utilise emission cleaning systems. As such, Shipping Lines have implemented the Low Sulphur Surcharge (LSS) as a nominal recovery to defray cost of compliance to this new regulation.

3. With regard to the above, please be informed that Freight Forwarders may collect LSS as part of the freight charges if it is paid locally and should not be charged as a landside charge for import LCL containers since it is not part of the local handling cost.

4. Should you require any clarifications on this matter, please contact PKA's One Stop Centre at 03-3168 8211 ext. 2039 / 2040 or email [onestopagency@pka.gov.my](mailto:onestopagency@pka.gov.my).

5. Your kind cooperation in this matter is highly regarded.

Thank you.
