### **PRESS RELEASE**

**1 FEBRUARY 2019**

#### **PORT KLANG AUTHORITY FACILITATES FREE PARKING FOR PULAU KETAM VISITORS DURING CHINESE NEW YEAR PERIOD 2019**

In view of the Chinese New Year holidays next week, visitors are expected to throng Pulau Ketam to enjoy the attractions and visit family and friends. The island is accessible via the South Port Passenger Jetty in Port Klang which offers scheduled ferry services from the mainland.

In the past years, due to limited parking space in the vicinity of the jetty, visitors often park their vehicles illegally along the main road shoulders resulting in traffic congestion and damaged vehicles. In a move to overcome such issues, Port Klang Authority (PKA) has been providing alternate parking areas on vacant land close to the jetty.

In a similar initiative this year, as part of its CSR, PKA will provide ample parking space at a vacant land located about 10 mins away from the jetty for a period from 4/02 until 10/02/19. This facility will be provided free of charge. The parking area will also be supervised by a parking attendant. However PKA will not assume liability for any losses incurred and vehicle owners are advised to park at their own risk and take all precautions.

PKA hopes that visitors will take advantage of the facility provided and enjoy their holidays in Pulau Ketam without having to worry about their vehicles.
